Table 1B: Summary Table²

Assessed and Contingency Rural Population Numbers in AFLC and HE	590,000	8⁵
Estimated Number of IDP's ⁴	400,000	5⁵
Estimated Total Population in Crisis	990,000	14⁵

¹ Source: Rural Population Estimates by Region/District, UNDP Somalia, August 1, 2005. Note this only includes population figures in affected regions. FSAU does not round these population estimates as they are the official estimates provided by UNDP

² Estimated numbers are rounded to the nearest ten thousand, based on resident population not considering current or anticipated migration, and are inclusive of population in High Risk of AFLC or HE for purposes of planning

³ Dan Gorayo is included within Bari Region following precedent set in population data prior to UNDP/WHO 2005

⁴ Source: UN-OCHA updated April 2004 (376,630) and UNHCR IDP map Dec.2005 (407,000), rounded to 400,000 as an estimate

⁵ Percent of total population of Somalia estimated at 7,502,654 (UNDP/WHO 2005)

Table 2: Estimated Rural Population by District in Humanitarian Emergency (HE) and Acute Food and Livelihood Crisis (AFLC), inclusive of the High Risk Groups.
